

AMARO TYROLENSIS

ORGANIC, DIGESTIF/HERBAL BITTER

BIO101

The Mediterranean fire of fruity citrus notes and the power of purest high alpine mountain herbs combined in an authentic, naturally pure South Tyrolean Amaro. The nose reveals vibrant citrus, ripe red berries, coffee and herbal notes, enhanced by delicate balsamic undertones. On the palate it offers a smooth, fresh and spicy texture, with subtle hints of citrus and eucalyptus. A gentle bitterness unfolds into a lingering, fruity and sweet finish.
