AMARO

LIBERTAS - NON ALCOHOLIC SPIRIT

ANA07

An experience that unfolds like a captivating expedition into the pristine world of wild herbs, revealing harmonious layers on the palate—this alcohol-free Amaro delights with a recipe that takes the senses on a journey of discovery.

The earthy richness of rhubarb root, the enigmatic bitterness of gentian root and the aromatic freshness of wormwood combine to create a complex, full-bodied experience, turning each sip into a moment of excitement.

Subtle bitter notes blend seamlessly with a hint of sweetness, culminating in the delicate spiciness of chili extract, which conjures the illusion of alcohol with effortless charm, even in its absence. This exquisite balance creates a refined warmth that surprises and lingers long after - intense, nuanced, and utterly irresistible. A digestif that ignites a desire for more, engaging the palate in a delightful interplay of delicate flavors and skillfully balanced accents - refreshing and invigorating, yet completely alcohol-free.

Serving suggestion:

Savor our Libertas Amaro delightfully chilled or over ice. It is perfect as a soothing digestif after a meal or as a refreshing long drink to elevate any occasion.
