LA VITA È BELLA BIO

ORGANIC, GIN

BIO931

Distilled Dry Gin obtained from 24 Mediterranean organic botanicals. A hint of white flowers precedes the rich fruity bouquet, in which notes of lemon, apple and citrus fruits stand out. In the vegetal part, you will notice balsamic hints of mint, accompanied by fresh grass, rosemary, anise and peppermint; the aromatic palette is rounded off by vanilla and spicy licorice. A unique, fresh and fruity gin with a distinctive Mediterranean character, perfect for summertime.

The first Italian gin to win an award in London.
