LIMONCELLO BIO

LIQUEUR, ORGANIC

BIO057

Finest organic lemons from the Catania area provide the basis for this unique, colorless organic limoncello, which is characterized by its high content of fresh lemon juice. It impresses with its opulent aromatic intensity and its flattering, juicy freshness. On the palate it shows an incredible fruitiness and a pleasant and fresh acidity, making it a distinctive and truly unique limoncello.

Serving suggestion
Enjoy it always well chilled - neat or as an ingredient for refreshing summer cocktails.
