

TYROLENSIS BIO

ORGANIC, GIN

BIO932

Our Gin Tyrolensis reflects the abundance of the delights of its South Tyrolean homeland. Its fresh and fruity accents of Mediterranean fruits combined with the subtle nuances of spicy and fiery botanicals create a captivating taste experience unlike any other.

Botanicals: juniper, lemon, pepper, coriander seeds, ginger, valerian, angelica root, rosehip, elderflower blossom, orange blossom, lemon balm, rosemary, lavender and others.

Serving suggestion

As Gin Tonic paired with a classic or spicy tonic water.
