WHISKY LIQUEUR CASK

WHISKY

BIO105

This premium pure malt organic whisky gets its depth and structure from traditional maturation in oak barrels. Several months of finishing in liqueur barrels give it additional complexity.

Aroma: Intensely fruity with notes of dark chocolate, ripe berries, and a hint of spicy sweetness.

Palate: Balanced and complex, with creamy vanilla, caramel, and subtle wood nuances that gain a delicate smoothness from the cask finish.

Finish: Persistent and warm, with an aftertaste of dried fruit, a slight hint of pepper, and harmonious wood notes.

Serving suggestion:

Neat at 18-20°C.

Size

700ml
