

WHISKY SHERRY CASK

610

Patiently matured for 10 years in our most treasured casks, this elegant single malt reveals its complexity with every sip. On the nose, exquisite spicy notes of vanilla and caramel unfold, beautifully balanced by fruity nuances of dried fruit, sun-ripened apricots, and dark forest berries. The palate leads to a full-bodied, lingering finish — warm, rich, and profoundly satisfying.

Our Whisky Sherry Cask is available as a limited edition of 2,400 bottles.
